SHOES—O'KANE & CO.

ABOVE ALL THE REST

Is a position of pre-eminence which few can occupy. That's our position, though, in the shoe trade, and we hold it by right of undoubted superiority. Our goods and prices battle competition. That gives our shoes the feet to walk away with public favor. When it comes to footwear, above all, get the best. There's but one store to get it if you pay proper consideration to your feet and your pocketbook. Good footwear is the most comfortable as well as the most economical. We court an examination of our goods and prices.

LOCAL BREVITIES.

Matters of Minor Moment in and About the City.

THE GRAND this evening—"A Pair of Kids."

PROF. HERMANN M. SCHOCKEY will resume his classes in music next Monday at his studio, 1113 Chapline street.

A MEETING of the committee on finance has been called for this evening to settle with ex-City Collector White.

A NUMBER of Steubenville bicyclists will enter the races at the state bicycle meet at Wheeling on the 19th and 20th. —Steubenville Gazette.

EARLY yesterday morning Frank McDonald, of Burton, fell from the S bridge, east of Elm Grove, broke his arm, dislocated one hip and was otherwise badly hurt.

YESTERDAY City Clerk Thoner and Receiver Kindleberger paid off the street hands in cash instead of by the order system. The payroll amounted to about \$1,800 for the month.

AT G. FIELD's operatic minstrels are booked at the Opera House for next Wednesday evening. His company this season is said to be as fine as he ever had, and his great popularity here is sufficient to guarantee him a good house.

THERE was a good deal of kicking yesterday from a hundred or so people who went to pay their gas bills and found the office closed. These are discount days, and the ordinance requires the office to be kept open from 8 a. m. to 8 p. m.

A new breed of bugs struck the city building electric light last night, the little white bug which clings to a man's clothes and whiskers and makes life a burden. In a few hours the steps and sidewalk were covered as if a small snow storm had been around, but it hadn't.

OFFICIAL notice is given in another column that the water will be shut off at Fourteenth and Eoff streets to-day to change a stop gate there. Residents east of Eoff and north of Fourteenth will have no water unless they draw it in time. The street has already been torn up preparatory to the repairs.

Think They Know Her.

The following from Chicago attracted considerable attention at Bellaire and elsewhere yesterday:

"Chicago, Sept. 7.—Jennie Hammond, a young lady of Bellaire, O., it is rumored today, will wed a Turk on the Midway Plaisance."

From this brief telegram many Bellaire people suspect they recognize Mrs. Dr. A. Duddle, late of Denver, nee Jennie Hammond, a member of a well known family formerly of Bellaire. She went west several years ago and married Dr. Burrell, who died and left her considerable wealth, mainly in silver mines. She was a very independent young woman, and if she wanted to marry a Turk would not hesitate to do so, but this may not be she.

Glass Scale Conference Called.

President William Smith, of the American Flint Glass Workers' Union, called a conference with the flint glass manufacturers for the 21st for an adjustment of the demands made by the manufacturers as to the removal of the limit of the number of pieces to be made by each man at a turn and the abolishment of the summer stop rule.

A Thief Captured.

Night before last a colored man entered a hotel at Washington, Pa., and stole \$120 and a gold watch and chain. Detective McBride followed the thief here, and found him on the fair ground. He was arrested and taken out on the evening train.

THE EPWORTH LEAGUE.

An Interesting and Profitable Session Last Evening.

Last evening at the Thomson M. E. church the regular monthly session of the Epworth League was held. About 200 members and friends were present, and the following programme was well rendered:

Devotional exercises of fifteen minutes. Recitation, Mr. W. Lawrence, of the Island League. Music, Ariel Guller and Mandolin Club. Recitation, Miss Sharp, of Benwood League. Music, Mrs. Herbert Kibeldaffer, of the Island League.

Short address, Rev. P. N. Lynch. Short address, Rev. N. R. Johnson.

A business session was then held. Martin's Ferry and Bridgeport were asked to join the union, which already includes Benwood and Bellaire, besides the city.

It was announced that according to the constitution each league is to nominate three delegates to serve at the annual election of officers, which will occur on the second Tuesday of September at 8 p. m. This meeting of delegates will be held at the Fourth Street M. E. church. A full representation of delegates from each league is earnestly requested.

The place of the next union meeting will be duly announced by the new cabinet.

Ready, BOYS, Ready!

Again the Junior Army of the Republic is ready for school. Young America is rampant with enthusiasm, generated by a ten week's holiday, expects a New Suit or a New Hat. QUALITY

that wins the parents. We're solid on both sides. Boys are not the least bit particular. You must have Solid Worth in school clothes or they'll soon come to grief. We stand on the shoulders of our achievements of last year and reached for all the improvements that had been made. You won't have to come up after them.

We've Brought them down to the same old prices, that's how we progress. It's the quality that gets ahead; the cost stands still. If you don't know just what you want, there is everything here that's worth having. Let the stock talk to you. If seeing is believing, Seeing Will be Buying in this case.
